"We get lots of leads. Why don't sales go up?" So I wrote an ebook.

Swipe for the breakdown →

01

Reply: how to answer enquiries clearly and quickly

02

Track: how to mark the status of every lead, so nobody slips through

03

Follow Up: when and how to follow up without sounding pushy

“

The best system is the one simple enough to use every day.

Where do your leads leak the most?
