Many leads get lost at one point: when they move from marketing to sales.

Swipe for the breakdown →

01

Every lead gets an owner the moment it arrives

02

Every step has a clear meaning everyone agrees on

03

A lead sitting too long in one step is flagged, not forgotten

04

Lost leads need a reason, so marketing learns which ads bring the wrong people

“

Ads can only buy attention. The board decides if that attention becomes money.

Who is in charge of that moment in your business?
