Property, gold, custom apparel, car detailing. I've done marketing for all four.

Swipe for the breakdown →

01

The first reply. Enquiries from paid ads wait hours, sometimes until the next day.

02

The follow-up. One message, no answer, and the lead is quietly forgotten.

03

The report. The owner sees ad spend, but not what happened to the leads.

“

The fix is never a fancy tool. Reply fast. Follow up on set dates. Check every lead once a week.

Where do your leads leak the most?
