I wrote an ebook because I kept hearing the same question: why do we get lots of leads, but sales don't go up?

Swipe for the breakdown →

01

Reply: how to answer enquiries clearly and quickly

02

Track: how to mark the status of every lead, so nobody slips through

03

Follow Up: when and how to follow up without sounding pushy

“

The system that works best is usually the one simple enough to repeat every day.

Where do your leads leak the most?
