A lost lead can still be useful, if you know why it was lost.

Swipe for the breakdown →

01

Price over budget

02

Bad timing

03

Chose a competitor

04

Couldn't be reached

05

Needs didn't match

“

Every lost lead is free feedback. You just have to write it down.

What's the most common reason leads are lost in your business?
