Own a business that sells through WhatsApp? Here's the fastest way to know if you need my help.

Swipe for the breakdown →

01

Does every lead from your ads get a reply within 15 minutes during work hours?

02

Do quiet leads get followed up at least 3 times?

03

Can you tell, in 2 minutes, how many leads this week turned into sales?

“

If even one answer is "no", that's where your ad money is leaking every month.

Where do your leads leak the most?
